Dear sponsor friends,

I received your letter, Christmas card and drawings. I was happy to know that you are students of high school. I am thankful to you for coming forward to help me. Thank you for the Christmas wishes.

First of all I am happy to inform you that I have passed in 3rd standard and I have been promoted to 4th standard. My sisters Priyanka and Suchita have done well in their exams. I have received note books, umbrella and fees from Fr. Francis. Thank you for your generous help.

During vacation I went to my grand mother's house. There I enjoyed playing, reading story books. I have friends named Jessica, Disha and Preethi. I like them very much.

My Mom and Dad are keeping fine and they send good wishes to you.

Praying for you, I end my letter.

Your loving child,  
Serena
