Dear sponsor friends,

How are you? I hope you are fine there by the grace of God. I am keeping well. Here the climate is very hot and sometimes it rains.

This year i am studying in the 4th standard and my studies is going on well. I have finished my 1st semester exams and I am waiting for the results. My vacations started on 13th of October. There were many events in our school.

My parents are keeping well. My sisters are also fine. I enjoy being with my family. Dear friends on behalf of you Fr. Francis Fernandes has presented me a Christmas gift. Thank you very much.

Lastly I wish you a Merry Christmas and a Prosperous New Year. My parents have also conveyed their wishes and regards to you. I will always pray for you and your family so that the almighty God may keep you healthy and happy. Here I wind up my letter with lots of love.

Your loving
