„TYPED LETTER“

Dear sponsor friends,

How are you? I hope you are fine there by the grace of God. I am keeping well. Here the climate is very hot. I received the letter, card and story book. Thank you for writing your name and hobbies. I felt very happy. I liked the story book.

First of all I am very happy to inform you that I have passed 4th std with 98% of marks and have been promoted to 5th std. My sisters Priyans and Suchita have also done well in their exams. My summer vacations started on 27th of March. I went to my aunt's house in my town. There I enjoyed very much. But I am not able to go anywhere because I am preparing for my holy communion. Dear friends, I am going to receive the Holy Communion on 20th of May. I am very much excited to receive The Holy Communion.

My parents are keeping well. My sisters are very fine. They have sent good wishes to you. In my school we have catechism day. I participated in dance and singing. It was very nice and enjoyable. Dear friends, on behalf of you Fr. Francis Fernandes has distributed books, bag, umbrella and many other things required for my education. I am thankful to you and to the director. The photo was taken at home. I like story books.

I will be always praying for you and your family to grant good health and happiness. Here I wind up letter with lots of love.

Your loving,

Serena
