

June 2016

Dear friends,

Loving greetings from Serena.

How are you? I hope you are fine by the grace of God. I am keeping well. Here the climate is very hot. Sometimes it rains.

Thank you for the Christmas wishes cards and stickers. I was happy to know that you participated in imaginary company's competition. How was it? I wish you all the best for your annual exams.

First of all I am very happy to inform you that I have passed in 8th grade with 96% of marks and promoted to 9th grade. I require many notebooks. My sisters Suchita and Priyanka have also done well in their exams. My sister Suchita is studying in 2nd PUC. She finished her exams and is waiting for her results.

My summer vacations started on 25th of March. I went to my grandma's house. I enjoyed very much.

My parents are keeping well. My sisters are also fine. They have sent good wishes to you. In my school, we had many competitions. Among them, I participated in dance and bagged 1st place with my group. It was very nice and enjoyable.

Dear friends, on behalf of you Fr. Francis has distributed us fees, umbrella, notebooks, bag and many other things required for my education. I am thankful to you and to him.

I will be always praying for you and your family to grant good health and happiness. Here I wind up my letter. With lots of love.

Your loving,

Serena Rego
