"Typed letter".

Dear friends,

Loving greetings from Serena.

How are you? I hope you are fine by the grace of God. I am keeping well. Here the climate is very hot.

Received all your Christmas cards and stickers. Thank you all for the Christmas wishes and your love.

First of all, I am very happy to inform you that I have passed 9th grade with 95% of marks and promoted to 10th grade. I require many notebooks. My sisters Priyanka and Suchita have also done well in their exams.

My summer vacations started from 29th March. I went to my grandma's house. There I enjoyed very much. My parents are keeping well. My sisters are also fine. They have sent good wishes to you. In my school, we had many competitions. Among them, I participated in singing competition and secured 1st place. It was very nice and enjoyable. My favourite game is Badminton. I enjoy playing it. I help my mom in her work. My hobby is to collect the stamps, coins, dancing, singing, gardening etc.

Dear friends, on behalf of you Fr. Gabriel Lopes has distributed us fees, books, bag, umbrella and many other things required for my education. I am thankful to you and to him.

I will be always praying for you and your family to grant good health and happiness.

Here I wind up my letter with lots of love.

Your loving,
Serena Rego.
