

Learn**English** Teens

Writing skills practice: Life skills essay – writing practice

Exam question

In your English class you have been talking about life skills: skills which are needed in everyday life. Now your teacher has asked you to write an essay.

Life skills should be taught to teenagers at school together with traditional subjects like maths and science. Do you agree?

Write about:

- 1. managing finances
- 2. cooking
- 3. (your own idea)
