

Your presentation

This term, like last term, you will need to prepare a presentation. If possible, choose a topic connected with the English-speaking countries. It may be about culture, money, politics, literature, history, science, geography... It is more pleasant if you choose something that you like.

You will get a grade for your presentation. Nowadays, it is difficult to test people; however, you need grades, that is why you really need to prepare your presentations. I will need to give you a grade at the end of the term.

Your presentation will be about 5 minutes long. Prepare notes, slides, photos. Use a dictionary to look up words you might need: www.seznam.cz Check your spelling www.lexico.com

A presentation does not mean you read a text. It is not a reading exercise. Do not write all the text on the slide – choose only key phrases and words. A presentation does not mean you will play a song for 5 minutes, you will actually need to speak, so you need a microphone which works to give your presentation.

You will give your presentations next week during our online lessons. If you fail to prepare it, you will get an N. If you have many Ns, you will be tested before the end of the term: I will have to prepare a special test for you covering the whole term – everything. I hope that will not be necessary.

Good luck!

Abyste naplno využili všech výhod této šablony, používejte galerii Styly na kartě Domů. Nadpisy můžete snadno naformátovat pomocí stylů nadpisů. Případně můžete zvýraznit důležitý text pomocí jiných stylů, jako je Zdůraznění nebo Výrazný citát. Tyto styly jsou už naformátované a skvěle se k sobě hodí, proto se nemusíte starat o nic jiného než o to, co chcete říct.

Na nic nečekejte a začněte.
